Chemistry 261H

Honors Organic Chemistry I

Fall 2014

Class: 9:30 TuTr, 311 Venable Hall

Instructor: Paul J. Kropp, C147C Kenan Labs (kropp@unc.edu)

Office hours: See class home page on Sakai.

Textbooks: UNC bundle:
   Bruice, *Study Guide and Solutions Manual*
   MasteringChemistry Access card
   Molecular Visions Organic Model Kit
   Course–Pack (Student Stores)

Web site: sakai.unc.edu

Exams:
   Hour Exam I  Tuesday, September 16
   Hour Exam II  Tuesday, October 21
   Hour Exam III  Tuesday, November 18
   Final Exam  Thursday, December 9 (8:00, Comprehensive)

   *In preparation for exams, it is recommended that you concentrate on class notes and assigned problems, using the textbook as a backup resource.*

Grading: The course grade will be determined by whichever option gives the higher total:

   *Option A:* The three hour exams and the final exam count 25% each.
   *Option B:* Drop the lowest hour exam; the final exam counts 50% and the other two hour exams count 25% each.

*There will be no make–up exams.* If you miss an hour exam, it is the one that will be dropped and your grade will be based on Option B.

Exams may be submitted for regrading by turning in at class with a note attached or may be brought by during office hours. No papers will be accepted for regrading after the following exam.
