Fall Placement Exam Guidelines - 08/19/2013

READ CAREFULLY

Placement exams are offered at 8:30 am on August 19, 2013 by the Department of Chemistry for the following courses: Chem 101/101L, 102/102L, 241/241L, and 261/262/262L. You must sign up to take the exam.

Only one placement exam may be taken on a given exam day. The next available date is in January.

Students cannot take a placement exam in a course/lab if they have previously earned credit or been enrolled in the same lecture and received a grade. (Even if you failed the course)

Students must CHOOSE one from the following exams. Read carefully:

Chem 101,101L Exam – adequate grade earns 4 credit hours of Chem 101,101L.  
110 min time limit

Chem 102,102L Exam – adequate grade earns 4 credit hours of Chem 102,102L.  
120 min time limit

Chem 101,101L,102,102L Combo Exam – adequate grade earns 8 credit hours of Chem 101,101L and Chem 102,102L.  
55 min time limit

Chem 241,241L Exam – adequate grade earns 3 credit hours of Chem 241,241L.  
100 min time limit

Chem 261,262,262L Exam – adequate grade earns 7 credit hours of Chem 261,262,262L credit.  
120 min time limit

Picture ID must be left up front while taking these exams
Do not write on exam question booklets
